Welcome to Wermelskirchen

Wermelskirchen is a medium-sized town in Germany, in North Rhine-Westphalia, and about 34,000–35,000 people live there. The town is beautiful and nice. There are parks and many shops.

Children can play outside, go to the Family Paradise, and have fun. It is a good place for children because there are many playgrounds and very good schools.

Another club is a football club. The children train on the sports field. They play football and practise different skills there. They need a ball and football shoes.

School Life

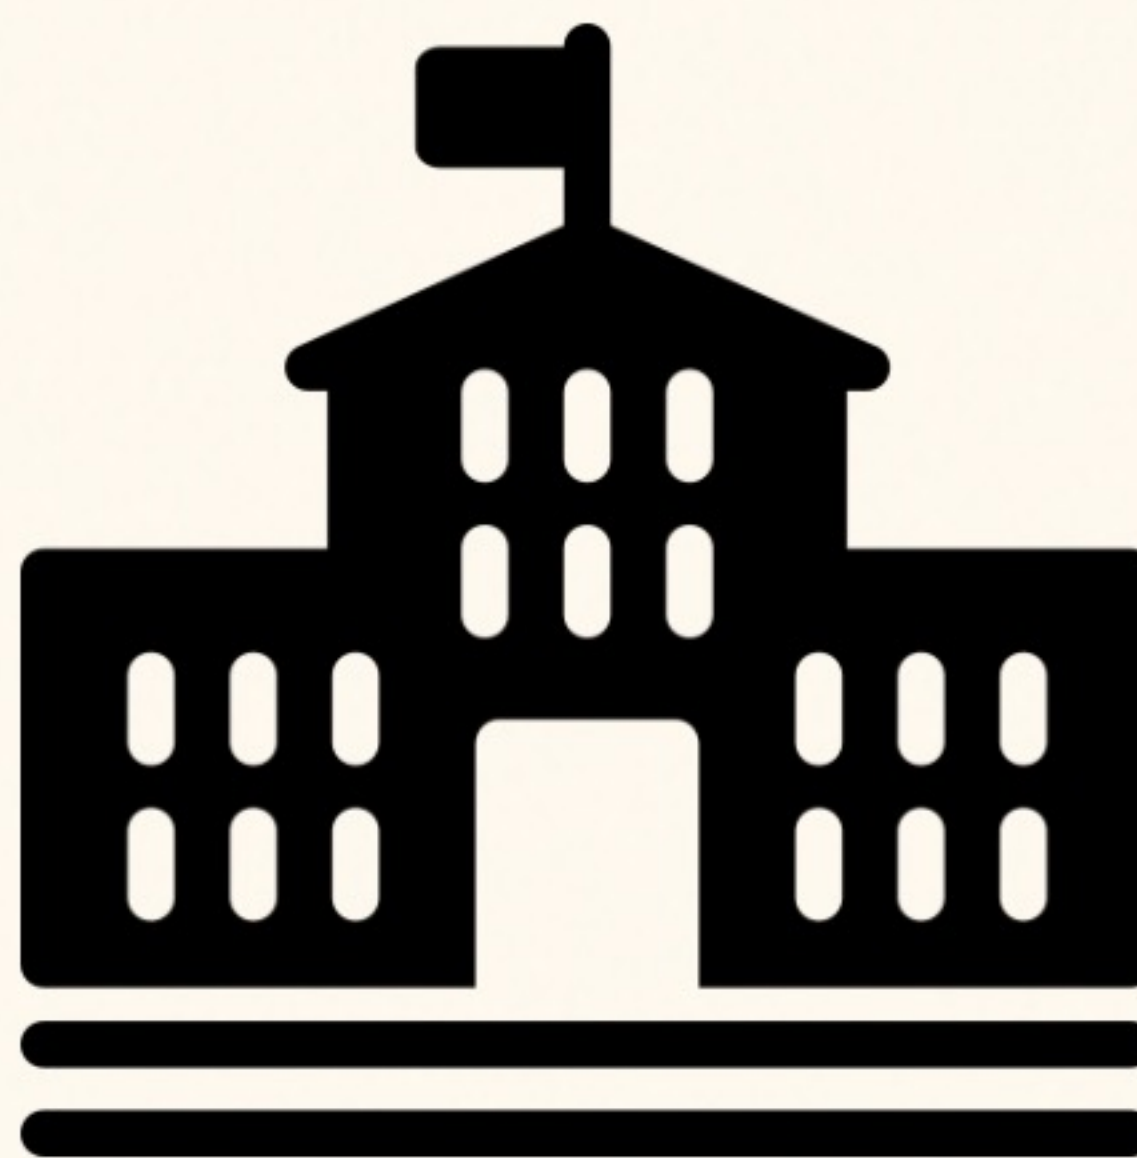

Our school is called Gesamtschule Wermelskirchen. The school starts at 7:55 a.m. and finishes at 3:40 p.m. In the lessons, students learn and understand new things.

We have many subjects, for example English, Maths and German. They are very interesting. In the break, we play together. There are clubs like the Art Club and the Drama Club. They are nice because students can learn new things there.

Shopping

In Wermelskirchen, people go shopping in the city centre. There are different kinds of shops, for example, supermarkets, drugstores, clothes shops, toy shops and bakeries. People can buy clothes, toys, food, drinks and books there.

You can visit shops like DM, Rewe and Action. At DM, you can buy cosmetics and hygiene products. At Rewe, you can buy food and drinks. At Action, you can buy toys and decorations.

Top Recommendations

DIMITRA

Our top recommendation is Dimitra, a great restaurant. People can eat tasty food there, for example meat, salad and warm dishes. The chef prepares the food himself. Visitors should go there because the food is very nice and tasty.

Greek Corner 🇬🇷

Η κορυφαία μας πρόταση
είναι το Dimitra,
ένα εξαιρετικό εστιατόριο.
Οι άνθρωποι μπορούν να
φάνε πολύ νόστιμο φαγητό
εκεί,
για παράδειγμα σαλάτες με
κρέας και ζεστά πιάτα.
Ο μάγειρας ετοιμάζει ο
ίδιος το φαγητό.

We recommend the swimming pool because it is a fun place for families and children. You can see a swimming pool, a kids' pool and slides there. People can swim and eat there. It is special because the water is cool in summer. Visitors can have a lot of fun there.
